1.5 TB disks work well, but need new software from Conduant
Cost: ~70 € + VAT 50 TB < 5000 €

Disk status II

- Torun still less than 150 TB
- Jodrell still less than 150 TB
- Cambridge: about 50 TB is about twice the amount needed per session
- Urumqi and Shanghai should increase to 100 TB.
- Yebes should increase to 150 TB soon

- Cost for 50 TB < 5000 €
